

Date	Event	Description
11/13/2020	What is a mentor?	Mary Anne Berzins will answer all of our questions regarding mentorship. Always wanted to hear about the difference between a mentor and a trainer? Want to know how to become a better mentor? Come and meet Mary Anne and ask what you always wanted to know.
6/20/2020	How to publish	Today we invite Florian Maderspacher, senior editor at Current Biology, to explain us the ins and outs of publishing your scientific research.
4/16/2020	Faculty Search	Are you ready to start your own lab? Are you prepared to throw yourself in front of the lions? Today we invite Megan Williams and Jason Shepherd to talk to us about what they are looking for during a faculty search. We discuss the entire process how they go from a large pool of candidates and slim it down to the chosen ones. Join us and learn how to leave a good impression.
